Ladies and Gentlemen,

**I am pleased to present the
63rd Annual report of your company.**

I am pleased to announce the impressive performance of your company in FY2009-10. The Turnover amounted to ₹ 840.73 Crore compared to ₹ 866.65 Crore in 2008-09. The Net profit was higher at ₹ 37.59 Crore as compared to ₹ 30.21 Crore in 2008-09 on standalone basis. The turnover was ₹ 1182.85 Crores with a profit after tax of ₹ 50.96 Crores on Consolidated basis.

The year 2009-10 was a challenging one for all of us. The World Economy is on the recovery path due to the support of financial stimuli from various Governments and multilateral financial Institutions across the globe.

The world economy is yet to come out of the slowdown and the conditions of the growth seen in the recent past are fragile due to subdued consumer and investment demand in the developed countries. Emerging Economies have faced a sharp drop in bank credit and sharp contraction of demand due to low consumer spending in developed countries. Stronger recovery is expected and seen from the Asian countries. India has been on the rebound from the recession and has been growing at the rate of 7.4% in 2009-10

In Europe, our subsidiary LDW has done a decent job this year despite Germany being deeply affected by the recession.

LDW has shown a performance of € 50.82 Million a fall of 8.76% over the previous year. This is partly due to the German economy shrinking by over 5% in 2009-10 over 2008-09. This was attributed to fall in investor confidence and reduced consumer spend across the world affecting Engineering goods demand and exports.

Coming to India, as per estimates, the Indian economy has registered a growth of 7.4% in 2009-10, with 8.6 per cent year-on-year (y-o-y) growth in its fourth quarter.

The growth is driven by robust performance of the manufacturing sector on the back of government and consumer spending. GDP growth rate of 7.4% in 2009-10 has exceeded the government forecast of 7.2% for the full year as compared to 6.8% in 2008-09.

According to Government data, the manufacturing sector witnessed a growth of 16.3 % in January-March 2010, from a year earlier. Capital goods production grew by 72.8 per cent against a contraction of 5.9 per cent a year ago.

The cautious but firm revival across the main sectors, i.e. Agriculture, Industry and services in 2009-10 was due to the stimulus packages announced by the Government of India. These packages boosted the Investor confidence in brand India and had a positive impact on the various stakeholders. You would recall that the turnaround started from Q2 of 2009-10 when Industry and Services experienced robust growth resulting in a 7.9% growth rate for Q2.

Your company has shown a performance as mentioned elsewhere of ₹ 840.73 Crore with PAT of ₹ 37.59 Crore. The turnover was ₹ 1182.85 Crores with a profit after tax of ₹ 50.96 Crores on Consolidated basis. This overall growth was possible due to concerted efforts and continuous monitoring of operations in this challenging year.

Your company manufactures and deals in Electrical machinery for the Industry in general. We expect to benefit from the huge investments that the GOI is making in the Infrastructural sector. This includes the Power Generation, Transmission & Distribution space and final distribution, which is being progressively liberalized for private investment.

HIGHLIGHTS OF 2009-10

- ♦ Biggest rating of 220 kV Transformer manufactured from Mysore. One no. 62.5MVA, 220/34.5/11kV for AARESS STEELS, Hospet through SIEMENS.
- ♦ One no. 40MVA, 220/11kV for Jindal Steel and Power Limited, Raigarh.
- ♦ 40/50MVA, 66kV transformer exported to INDONESIA.
- ♦ 3150KVA, 11kV Distribution Transformer with corrugated construction exported to MALAYSIA
- ♦ 10 MVA, 33/22kV POWER TRANSFORMER for MSETCL successfully passed short circuit test at CPRI
- ♦ 8000AMPS, 33kV Neutral Grounding

Transformers

Transformer supplied to UTTAM GALVA

- ♦ 12.5MVA, 33kV Converter Duty Transformer supplied to JSW
- ♦ 17 MVA, 33kV ARU (Active Rectifier Unit) TRANSFORMERS TO FLS TISCO used as Converter duty Transformer.

With the Govt. laying an ambitious plan to add 78,577 MW in the 11th five year plan, which is likely to trigger major investments from both the Public and Private sector players. The total capacity addition in FY2010-11 is projected at 20,360 MW by the Planning Commission of India. The 12th plan maintains the growth at 82,200 MW including 42,200 MW in the thermal space.

Power supply continues to be a basic issue for India today with the deficit being tagged at 12%. The private sector contributed 4,287 MW or 45% of the 9,585 MW capacity addition in 2009-10. The central and state sector utilities have contributed 5,298 MW during the period.

As is known every 1MW of Power generation needs 7 MW in transmission equipment.

This sector will be our main customer for our Transformer and allied products. We are progressively going for both higher capacity and kV Class ratings in our Power transformers. This year we have successfully manufactured and commissioned our first 220kV transformers. A 63MVA 220/34.5/11kV for AARESS STEELS, Hospet through SIEMENS, and another for 40MVA 200/11kV power transformer for JSPL.

The increasing investments in industrial sector especially Ferrous and Steel, Cement and Fertilizers will see a spur in demand for our Motor product lines.

Nuclear Power sector is on the rise in India with 4 new plants under construction. India now envisages increasing the contribution of nuclear power to overall electricity generation capacity from 4.2% to 9% within 25 years. In 2010, India's installed nuclear power generation capacity will increase to 6,000 MW as part of the plan to reach generation capacity of 20,000MW by 2020.

Electronics

HIGHLIGHTS OF 2009-10

- ♦ Kirloskar Electric Co Ltd., Electronics Division Mysore, Installed 630kW, 415V, AC Drive for roughing stand of Steel Rolling Mill Application at Aashiyana Rolling Mill, Ahmedabad. We are the first company to have installed AC drive for such application in India on Slip ring Induction Motor
- ♦ Kirloskar Electric Co Ltd., Electronics Division Mysore, Installed 560kW, 415V, AC Drive for Zero Mill of Sugar Mill Application at Vikas SSK, Latur. Most of the new sugar mills are running with AC drives.

The Indian Nuclear Power Industry is on a path of significant expansion in the coming years, thanks in part to the passing of the Indo-US nuclear deal. This agreement will allow India to carry out trade of nuclear fuel and technologies with other countries and significantly enhance its power generation capacity. When the agreement goes through, India is expected to generate an additional 25,000 MW of nuclear power by 2020, bringing total estimated nuclear power generation to 45,000 MW.

It is a matter of pride and humility when I say that we are working with Nuclear Power Corporation of India for development of special motors. I expect this to take us a long way into the sunrise sector of Nuclear power in India and around the world. We are the only company to be given this opportunity in India, other than BHEL.

As part of our contribution to the growing Eco consciousness and Electric Vehicles development worldwide, aimed at developing a sustainable mode of mass transport by reducing the Vehicular Pollution, we have been supplying the propulsion systems for the Electric Cars made by Reva. I am proud to say that these cars, sold widely in Europe, have seen our drive system running flawlessly for the past 8 years.

We have successfully developed a small electrical drive system for an Autorickshaw at our Development center at the Hubli Unit. We are working to get to the other manufacturers with the same intent for Indian and global market. We are partnering a few Indian Automotive Manufacturers in this venture to develop such eco friendly vehicles for the mass market.

We continue to supply our Electrical systems to Reva after the recent change in management and are supplying the similar systems to the new owners, Mahindra & Mahindra for their other projects.

As for orders for LDW motors in India, we have bagged 6 no 8MW Motors from Essar of which 3 are under execution, through a pump manufacturer to IOCL Haldia, Chennai Petrochemical limited, and are in the process of enlisting LDW in EIL for possible orders from GNFC, for their new projects.

The AC Motors group has developed new motors for the newer applications like Automated parking systems that are being built to address the parking problems in Metros and Major cities.

The Industrial Electronics group of your company has successfully designed and installed a 630kW, 415V, AC Drive for roughing stand of Steel Rolling Mill Application on a Slip ring Induction Motor, the very first of its kind anywhere.

The Switchgear group has designed and manufactured 33kV 1600 Amps 26.2 kA Vacuum Circuit Breaker. We also have designed and executed 750kVA 11kV package substation with both Cast Resin and Oil Filled Transformers.

The Power Generation Group has increased the DGSet range to 500kVA. Now we cover the entire range of customer demand from 12.5kVA to 500 kVA.

We have supplied customised generators for the latest class of stealth ships being commissioned in the Indian Navy.

We have expanded our product portfolios in other product areas and have expanded geographically by opening new office in areas with high business potential. With this backdrop we hope to consolidate our position through the year 2010-11.

As part of our cause for gender empowerment/ equality and Inclusion, we have consciously been employing more women from the underprivileged sections of society into our workforce. This is true especially in the new Gabbur unit where the majority of them are employed. We have taken this decision to address issues of social equality and the thrust the Government is putting on Women empowerment. We are very pleased with the productivity and quality of their output.

Coming to the Corporate Social Responsibility, The Kirloskar Electric Charitable Trust founded and manages the Ravi Kirloskar Memorial Hospital in Peenya, the prime Industrial hub of Bangalore. This hospital has the best of facilities and provides the best healthcare to the people living in the area at nominal costs.

Your company continues to be led by strong and motivated human resources. The company believes in ongoing training and development of its employees, while improving their skill sets, keeps them abreast of the evolving latest international technologies, to meet the emerging challenges in the market place and rising customer expectations. We are working on starting our own Training Center for imparting the special skills needed to overcome the severe shortage, of trained young workforce, plaguing the Indian Electrical Industry. We are focused as much on development of managerial skills to ensure the availability of top class talent to meet the ambitious growth and expansion plans of the company.

I am glad to announce that your company has entered into new wage agreements for our Hubli and Tumkur units.

I have enjoyed unstinted support from all the investors of Kirloskar Electric. I would take this opportunity to express my gratitude to the Board, Banks and Financial institutions, Customers and Shareholders for their continued confidence and all the employees for their support.

With hopes for a Better and Brighter tomorrow

Information as required under para II B (iv)(I) (II) and (iv) of Schedule XIII

Your Company is engaged in Electrical Industry which has various groups such as Rotating Machines Group, Static Equipment Group, Switchgear Group, Cable Group, Transformers Group, Capacitors Group, Transmission Line Group, etc. Each product group is having its different products within its broad range.

Your Company has been in operation for over six decades now and was performing well till about 1998. Thereafter its performance was adversely affected on account of various factors like industrial recession in user industries resulting in poor offtake, unremunerative prices, high interest burden, lack of working capital etc. The sales declined due to working capital paucity. Intense competitions squeezed margins. All these factors pushed the Company into losses. The Company has improved its working and financial position substantially thereafter. The Company has now wiped out all accumulated losses and the Company has been making profits continuously since 2004-05.

The Company has investments in the following companies abroad :

Kirloskar (Malaysia) SDN BHD	Rs.5.29 lakhs for 3,00,000 shares
Kirloskar Kenya Ltd.	Rs.8.52 lakhs for 1272 shares
Kirsons Trading Pte.Ltd.	Rs.11.20 lakhs for 56250 shares
KEC North America Inc, USA	Rs.129.36 lakhs for 210 common stock.
Kirsons B.V.	Rs.8429.62 lakhs for 1059 shares

The investments made in Companies other than KEC North America have fetched returns. KEC North America suffered losses due to unfavourable market conditions. The operations of KEC North America Inc. have been closed.

The Company has achieved a profit of Rs.375.9 million for the year 1.4.2009 to 31.3.2010 on a turnover of Rs.8407.3 million. The profit for the year 1.4.2008 to 31.3.2009 was Rs.302.12 million. The Company's exports for the year 1.4.2009 to 31.3.2010 were at Rs.560.1 million. The exports for the year 1.4.2008 to 31.3.2009 were at Rs. 720.70 million

The Company has already taken measures for improving its working, such as cutting costs at all levels, reduction in manpower, product development, improving working capital management etc. and the performance is getting improved. Consequent to the approval of the Scheme of Arrangement and Amalgamation by the Hon'ble High Court of Karnataka under sections 391-394 of the Companies Act, for demerger of operating business of Kirloskar Power Equipments Limited and amalgamation of Kaytee Switchgear Limited, there is considerable increase in sales and profit of the Company.

Except Mr. Vijay R Kirloskar, who is interested individually in the Resolution, as the same relates to his appointment and remuneration and Mrs.Meena Kirloskar, who is his wife, none of the other Directors is in any way concerned or interested in the said Resolution.

The Board recommends the Resolution for approval by the members.

This should be considered as a relevant abstract, as required under section 302 of the Companies Act, 1956.

By Order of the Board of Directors,
For KIRLOSKAR ELECTRIC COMPANY LIMITED,

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry

Your Company is engaged in Electrical Industry, which has various groups such as Rotating Machines Group, Static Equipments Group, Switchgears Group, Transformers Group, Capacitors Group, Transmission Lines Group, etc., Each product group is having its different products within its broad range. The industry is further divided into Organised Sector and Unorganised Sector. Your Company manufactures and deals in major products in the industry.

Opportunities

The GDP growth expected in the current year is around 9%. With the expected capital investments by the private sector as well as the public sector the demand for the Electrical Industry is expected to appreciate in the near future and as such the high growth exhibited a couple of years back is expected again and demand is expected to pick up. The strong brand image of the Company's products on account of our stress on quality puts us in an advantageous position. It may be noted that the Company has no control over the external factors as a result of which the actual performance may vary from the expected.

Threats

Delays in supply of raw materials and fluctuations in prices thereof are a matter of concern. The industry is becoming highly competitive. The long term outlook appears to be bright. The actual performance may differ, as it is dependent on several factors beyond control of the Company.

Performance Overview

During the year the Company has achieved a turnover of Rs. 8.41 billion as against Rs. 8.67 billion in the previous year. The profit before tax for the year is Rs.474.59 million as against a profit of Rs. 348.52 million in the previous year.

Segmentwise or productwise performance

The Company has identified the reportable segments as Rotating Machines Group, Power Generation Equipment Group and Others, taking into account the nature of products and services, the different risks and returns and the internal reporting systems.

(Rs.in 000's)

Products	2009-10	2008-09
Rotating Machines Group	7536264	6436846
Power Generation Equipment Group	4496139	4933071
Others	444497	510131
Total	12476900	11880048

Future Outlook

As has been mentioned earlier in the Report, the Indian Industry is set to perform well. It appears that the economy will have GDP growth of 9% in 2010-11. The various industries to which the Company caters to are expected to do well again and demand from them will pick up again. The outlook appears to be good at this juncture.

Risks & Concerns

On account of the sudden slow down seen in the later part of 2008-09 the Industry in general has turned cautious and further investments may be deferred/curtailed. The rise in prices of raw materials and supply uncertainties are a matter of concern.

Internal Control System

The Company has in place an adequate system of internal controls commensurate with the size of the Company and the nature of its business. This ensures efficacy of operations and safeguarding of assets against loss and compliance with applicable legislation. The system involves appropriate and timely recording of all transactions and financial tracking. There exists an adequate management reporting system comprising managerial reporting and analysis on various performance indicators, for corrective action as necessary. The Company has regular review systems to monitor the performance against agreed financial parameters to assess the strengths and areas of improvement at all the Units.

Human Resources

Industrial relations during the year were generally cordial and the Company continued to have good support of all its employees at all levels except for some slow down in one of the units for a few days.

AUDITORS' REPORT TO THE MEMBERS OF KIRLOSKAR ELECTRIC COMPANY LIMITED, BANGALORE

We have audited the attached Balance Sheet of Kirloskar Electric Company Limited, Bangalore as at March 31, 2010, the Profit and Loss Account and also the Cash Flow statement for the year ended on that date annexed thereto.

- 1 These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
- 2 We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
- 3 As required by the Companies (Auditor's report) Order, 2003, as amended by the Companies (Auditor's Report) (Amendment) Order 2004 issued by the Company Law Board, in terms of subsection 4A of section 227 of the Companies Act, 1956('Order'), we enclose in the annexure a statement on matters specified in paragraphs 4 and 5 of the Order.
Further to our comments in the annexure referred to above, we report that:
 - 4 We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - 5 In our opinion, *subject to paragraph 8 of the annexure*, the Company has kept proper books of account as required by law, so far as it appears from our examination of such books.
 - 6 The report on the accounts of the Kuala Lumpur office in Malaysia not visited by us but audited by M/s Sundar & Associates, Chartered Accountants has been forwarded to us and has been dealt with in the manner considered appropriate by us while preparing our report.
 - 7 The Balance Sheet, the Profit and Loss Account and Cash Flow Statement dealt with by this report are in agreement with the Books of Account and the audited returns received from the Kuala Lumpur office of the Company.
 - 8 In our opinion, the Balance Sheet, the Profit and Loss Account and Cash Flow Statement dealt with by this report comply in all material respects with the mandatory accounting standards (AS) referred to in subsection (3C) of section 211 of the Companies Act, 1956 as applicable, subject to *note 23 (b) of Schedule 'O' (valuation of Inventories)*.
 - 9 On the basis of written representations received from directors as on March 31, 2010 and taken on record by the Board of Directors, we report that none of the directors of the Company are disqualified as on that date from being appointed as a director under clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.
- 10 Attention of the members is invited to:
 - i) *Note 22 of schedule 'O' regarding certain debtors, creditors, loans and advances, reconciliation of balances between the Company, erstwhile subsidiary KSL and operating business of KPEL being under review/reconciliation. We have relied on the representations of the management that the effect of the same on the revenue of the year is not material.*
 - ii) *Note 23 (b) of schedule "O" regarding valuation of inventories of certain units not being in line with Accounting Standard 2. Inventories at these units are as assessed by the management and have been adopted as such in the financial statements. Effect on revenue, if any is not ascertainable and*
 - iii) *Note 26 of schedule 'O' regarding amounts due from certain companies of Rs.22.718 million, which have incurred losses and whose net worth have been partially or wholly eroded. We have relied on the representations of the management that the said debts/advances are good of recovery. We do not express any independent opinion in this matter.*

11 In our opinion and to the best of our knowledge and according to the information and explanations given to us, the said accounts subject to note 21 of schedule 'O' to the financial statements read with the other notes and schedules give the information as required by the Companies Act, 1956 in the manner so required and subject *to paragraph 10 above and paragraph 2 of the annexure to this report* give a true and fair view in conformity with the accounting principles generally accepted in India: -

- A In the case of the balance sheet, of the state of affairs of the Company as at March 31, 2010
- B In the case of the profit and loss account, of the profits of the Company for the year ended on that date and
- C In the case of cash flow statement, of the cash flows of the Company for the year ended on that date.

ANNEXURE TO AUDITORS' REPORT

(AS REFERRED TO IN PARA 3 OF OUR REPORT
TO THE MEMBERS OF KIRLOSKAR ELECTRIC COMPANY LIMITED)

1.
 - a. The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
 - b. The management during the year has physically verified a portion of fixed assets in respect of certain units. We have been informed by the management that no material discrepancies were observed. However, a comprehensive physical verification needs to be carried out. Fixed assets lying with third parties are subject to confirmation.
 - c. During the year, the Company has not disposed off a substantial part of its fixed assets and as such the provisions of clause 4(i) (c) of the Order are not applicable to the Company.
2.
 - a. Inventories have been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable. *Certain stocks lying with third parties and at port are subject to confirmation.*
 - b. *The procedures of physical verification of inventories followed by the management need to be improved to make them reasonable and adequate in relation to the size of the Company and the nature of its business.*
 - c. The Company is maintaining proper records of inventory in terms of quantities *except in respect of inventories of certain units and work-in-progress, where records are under updation.* The discrepancies noticed on verification between the physical stocks and the book records wherever maintained were not material.
 - d. We have relied on the representation of the management that the consumption of materials and components is in line with production/ industry norms.
3.
 - a. The terms and conditions on which a fixed deposit was accepted from a director is prima facie not prejudicial to the interests of the Company.
 - b. The Company has not granted any loans to companies, firms and other parties covered in the register maintained under section 301 of the Companies Act, 1956. For this purpose, we have relied on the representations of the management that monies due from parties referred to in note 20 & 26(a) of schedule 'O' are advances and not in the nature of loans.
4. Having regard to the explanations given to us that some of the bought out items/assets are proprietary and/or special and/or are customised to the requirements of the Company and as such comparative quotations are not available and subject to *note 22 of schedule 'O'* there are adequate internal control procedures commensurate with the size of the Company and the nature of its business with regard to purchases of inventory and fixed assets and for the sale of goods. We have not observed during the course of our audit any continuing failure to correct major weaknesses in internal controls, subject to *note 22 of Schedule 'O'*.
5.
 - a. According to the information and explanations given to us, we are of the opinion that transactions that need to be entered into the register maintained under section 301 of the Companies Act, 1956 have been so entered.
 - b. No comments can be made on the reasonability of the rates in respect of the transactions so made and exceeding Rs. 500,000 in respect of any one party since there are no similar transactions with third parties at the relevant time.
6. The Company has complied with the provisions of sections 58A and 58AA of the Companies Act, 1956 and the Companies (Acceptance of Deposits) Rules, 1975 with regard to deposits accepted from the public.

1. SIGNIFICANT ACCOUNTING POLICIES**1.1 ACCRUAL SYSTEM OF ACCOUNTING:**

The Company follows the accrual system of accounting in respect of all items of expenditure and income.

1.2 FIXED ASSETS:**(i) Tangible Assets**

Fixed Assets (other than land which were revalued) are stated at cost of acquisition inclusive of freight, duties, taxes and incidental expenses relating to the acquisition, installation, erection and commissioning less depreciation. A portion of the land owned by the Company has been revalued. Internally manufactured assets are valued at works cost.

(ii) Intangible Assets

Intangible assets are accounted at cost of acquisition.

1.3 INVESTMENTS:

Investments unless otherwise stated are considered as long term in nature and are valued at acquisition cost less provision for diminution, if any.

1.4 INVENTORIES:

1. Raw materials, stores, spare parts and components are valued on first in first out basis/ weighted average at net landed cost or net realizable value whichever is lower.
2. Work in progress is valued at works cost or net realizable value whichever is lower.
3. Finished goods are valued at works cost or net realizable value whichever is lower. Material cost of work in progress and finished goods have been computed based on the moving average/ average price/ latest estimated purchase price.

1.5 DEPRECIATION:

- a) Depreciation is charged on the written down value of assets at the rates specified in schedule XIV to the Companies Act, 1956 or Income Tax Act, 1961, which ever is higher on assets as on 31st March 1994.
- b) In respect of other additions after 1st April 1994, depreciation on straight-line basis at the rates specified in schedule XIV to the Companies Act 1956 has been charged, except otherwise stated.
- c) Depreciation on furniture and fixtures above Rs. 5,000/- provided at the residences of the employees has been charged at the rate of 33.33% on the straight-line method irrespective of the quarter of addition. Furniture and fixtures whose cost is Rs.5,000/- or below are fully depreciated in the year of addition.
- d) Depreciation on assets taken on finance lease is charged over the primary lease period.
- e) Depreciation on software is provided at 33.33% per annum.
- f) Depreciation on technical know-how fees and product development are written over a period of six years.
- g) Depreciation on assets (other than Furniture and Fixtures provided to employees and assets taken on finance lease) bought / sold during the year is charged at the applicable rates on a quarterly basis, depending upon the quarter of the financial year in which the assets are installed / sold. Assets whose individual value less than Rs.5,000/- is depreciated fully. However, in certain units where SAP ERP software has been implemented depreciation has been provided on monthly prorata basis.

1.6 RESEARCH AND DEVELOPMENT EXPENDITURE:

Revenue expenditure in carrying out research and development activity is charged to the Profit and Loss Account of the year in which it is incurred. Capital expenditure in respect of research and development activity is capitalized as fixed assets and depreciation provided as detailed above.

1.7 REVENUE RECOGNITION:

- a) Sale of goods is recognized on shipment to customers and excludes recovery towards sales tax.
- b) Interest income is recognized on time proportion basis.
- c) Dividend income is recognized, when the right to receive the dividend is established.

1.8 EMPLOYEE BENEFITS:

(i) Short Term Employee Benefits:

Employee benefits payable wholly within twelve months of rendering the service are classified as short term. Benefits such as salaries, bonus, leave travel allowance etc. are recognised in the period in which the employee renders the related service.

(ii) Post Employment Benefits:

a) Defined Contribution Plans:

The Company has contributed to provident, pension & superannuation funds which are defined contribution plans. The contributions paid/ payable under the scheme is recognised during the year in which employee renders the related service.

b) Defined Benefit Plans:

Employees' gratuity and leave encashment are defined benefit plans. The present value of the obligation under such plan is determined based on actuarial valuation using the Projected Unit Credit Method which considers each year of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gain and losses are recognized immediately in the statement of profit and loss account as income or expense. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the balance sheet date on Government bonds where the currency and terms of the Government bonds are consistent with the currency and estimated terms of the defined benefit obligation. Gratuity to employees is covered under Group Gratuity Life Assurance Scheme of the Life Insurance Corporation of India.

1.9 FOREIGN CURRENCY TRANSACTIONS:

- a) Foreign currency transactions are translated into rupees at the exchange rate prevailing on the date of the transaction.
- b) Monetary foreign currency assets and liabilities outstanding as at the year-end are restated at the exchange rates prevailing as at the close of the financial year. All exchange differences are accounted for in the profit and loss account.
- c) Non monetary items denominated in foreign currency, are valued at the exchange rate prevailing on the date of transaction.
- d) In respect of branches, which are integral foreign operations are translated as if the transactions of those foreign operations were the transactions of the Company itself.

1.10 TAXES ON INCOME:

Provision for current tax for the year is after taking cognizance of excess / short provision in prior years. Deferred tax assets/liability is recognized, subject to consideration of prudence, on timing differences.

1.11 BORROWING COSTS:

Interest and other borrowing costs on specific borrowings relating to qualifying assets are capitalized up to the date such assets are ready for use / intended to use. Other interest and borrowing costs are charged to Profit & Loss Account.

1.12 IMPAIRMENT OF ASSETS:

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss, if any, is charged to profit and loss account, in the year in which an asset is identified as impaired.

1.13 PROVISIONS & CONTINGENT LIABILITIES:

A provision is recognized when the group has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Financial effect of contingent liabilities is disclosed based on information available upto the date on which financial statements are approved. However, where a reasonable estimate of financial effect cannot be made, suitable disclosures are made with regard to this fact and the existence and nature of the contingent liability.

1.14 USE OF ESTIMATES:

The preparation of financial statements in conformity with generally accepted accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Consolidated
Financial Statements 2009-10**

**AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS
OF KIRLOSKAR ELECTRIC COMPANY LIMITED**

1. We have audited the attached consolidated Balance Sheet of Kirloskar Electric Company Limited ("the Company"), its subsidiaries and other consolidating entities (collectively referred as "the KEC group") as at March 31, 2010, the consolidated Profit and Loss Account of the KEC group and the consolidated Cash Flow Statement of the KEC group for the year ended on that date. These financial statements are the responsibility of the group's management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with generally accepted auditing standards in India. These standards require that we plan and perform the audit to obtain reasonable assurance as to whether the financial statements are prepared, in all material respects, in accordance with the identified financial reporting framework and are free from material misstatements. An audit includes, examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statements. We believe our audit provides a reasonable basis for our opinion.
3.
 - a. We have not audited the financial statements of the subsidiaries, whose financial statements reflect total assets of Rs.2,348.11 million (March 31, 2009 Rs.2,588.32 million) and total revenues for the year of Rs.3,535.84 million (period from September 1, 2008 to March 31, 2009 Rs.2,294.64 million). These financial statements have been audited by other auditors, whose reports have been furnished to us, and our opinion, in so far as it relates to the amounts included in respect of the subsidiaries, is based solely on the report of the other auditors. The accounting policies used by them have not been harmonised with that used by the Company. The proportion of items in the consolidated financial statements to which different accounting policies have been applied are not ascertained. Details of accounting policies, contingent liabilities as at March 31, 2010, notes forming part of the financial statements of the said associates have not been furnished
 - b. We have not audited the financial statements of Electrical Machine Industries (Baharin) WLL (EMIB) and Kirloskar (Malaysia) Sdn. Bhd. for the year ended March 31, 2010. Consequently, the Company's share in the profits/losses of associates as shown separately in the Profit and Loss Account and the value of investments in the consolidated balance sheet are based on audited statements of EMIB and unaudited financial statements of Kirloskar (Malaysia) Sdn. Bhd. for the said year as received from the said associates. The accounting policies used by them have not been compared and harmonized with that used by the Company. The proportion of items in the consolidated financial statements to which different accounting policies have been applied are not ascertained. Details of accounting policies, contingent liabilities as at March 31, 2010, notes forming part of the financial statements of the said associates have not been furnished
 - c. *Intra group balances have not been comprehensively identified and reconciled and balances to the extent identified and reconciled have been eliminated, while preparing these consolidated financial statements. In the absence of necessary information, unrealised profits and losses from intragroup transactions, either relating to the year or previous years have not been eliminated Effect on consolidated financial statements not ascertainable*
4. *Subject to our comments in paragraph 3 above*, we report that the consolidated financial statements have been prepared by the Company in accordance with the requirements of Accounting Standard (AS) 21-Consolidated Financial statements, AS 23 - Accounting for Investments in Associates and AS 27 Accounting for Joint Ventures in Consolidated Financial Statements on the basis of the separate audited financial statements of the Company & its subsidiaries, audited/ unaudited financial statements of the associates and audited financial statements of a jointly controlled entity as at March 31, 2009.
5. *Attention is invited to the following: -*
 - a) Note 9 of schedule 'O' regarding certain debtors, creditors, loans & advances, reconciliation of balances between the Company, its erstwhile subsidiary KSL and operating business of KPEL being under review/reconciliation. We have relied on the representations of the management that the effect of the same on the revenue of the year is not material.
 - b) *Note 10(b) of schedule 'O' regarding valuation of inventories of certain units not being in line with Accounting Standard 2. Inventories at these units are as assessed by the management and have been adopted as such in the financial statements. Effect on revenue, if any is not ascertainable and*
 - c) *Notes 13 of Schedule 'O' regarding amounts due from certain companies of Rs.22.718 million. We have relied on the representations of the management that these advances are good of recovery. We do not express any independent opinion in this matter.*
6. In our opinion and to the best of our knowledge and according to the information and explanations given to us, *the said accounts subject to our comments in paragraphs 3 and 5 above* and read with the other notes and schedules give a true and fair view in conformity with accounting principles generally accepted in India:
 - a. In the case of the balance sheet, of the consolidated state of affairs of the KEC group as at March 31, 2010
 - b. In the case of the profit and loss account, of the profits of the KEC group for the year ended on that date and
 - c. In case of the cash flow statement, of the cash flows of the KEC group for the year ended on that date.

SCHEDULE "O"

NOTES ATTACHED TO AND FORMING PART OF THE BALANCE SHEET AND PROFIT AND LOSS ACCOUNT

SCHEDULE "O"

Notes attached to and forming part of the Balance Sheet and Profit and Loss Account

BASIS OF CONSOLIDATION

The financial statements of Kirloskar Electric Company Limited ("Parent Company"), subsidiary companies and associates ("the Group") used in the preparation of this consolidated financial statements have been drawn up to the same reporting date as that of the parent company i.e. year ended March 31, 2010. The financial statement of Kirloskar (Malaysia) Sdn. Bhd., used are as received from it and is unaudited.

Basis of presentation of Financial Statements

The financial statements of the Company and its subsidiaries have been prepared under historical cost convention, in accordance with the Generally Accepted Accounting Principles (GAAP) applicable in the countries in which they operate and in the case of the parent company, the provisions of the Companies Act, 1956. The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at date of the financial statements, and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates. Accounting policies of the consolidating entities have not been synchronized.

The direct subsidiary of the Company, namely Kirsons BV has been classified as an 'Integral Foreign Operation'. Revenue items denominated in foreign currency have been converted at the average rate prevailing during the year. Non monetary foreign currency assets and liabilities have been accounted at the rate of exchange prevailing on the transaction date. Monetary foreign currency assets and liabilities (other than long term foreign currency monetary items) have been converted at the rates prevailing at the end of the year. Resultant difference has been adjusted in the Profit and Loss Account. In terms of the option provided by notification dated March 31, 2009 issued by the Ministry of Corporate Affairs, Government of India, exchange differences arising on reporting of long term foreign currency monetary items at rates different from those at which they were initially recorded, in so far as they relate to acquisition of non depreciable capital asset have been accumulated in a 'Foreign currency monetary item translation difference account' and amortized over the balance period of such long term asset/liability but not beyond March 31, 2011.

The step down subsidiaries of the Company referred to in note 2 below have been classified as 'Non Integral Foreign Operations'. Revenue items have been consolidated at the average rate prevailing during the year and all assets and liabilities have been converted at the rates prevailing at the end of the year. Resulting exchange differences have been accumulated in a 'Foreign Currency Translation Reserve'.

The difference between the parent Company's portion of equity in the subsidiaries as at the date of its investment and the cost of their respective investments has been treated as capital reserve/goodwill on consolidation.

PRINCIPLES OF CONSOLIDATION

- a) The financial statements of the parent company and its subsidiaries have been consolidated on a line by line basis by adding together the book values of like items of assets, liabilities, income and expenditures after eliminating intra group balances and transactions to the extent identified and reconciled.
- b) Investment in an associate has been accounted under the equity method as per Accounting Standard 23. Under the equity method of accounting, the investment is initially recorded at cost, identifying any goodwill / capital reserve arising at the time of acquisition. The carrying amount of investment is adjusted thereafter for post acquisition changes in the investor's share of net assets of the investee. The consolidated statement of profit and loss reflects the investor's share of the results of operations of the investee. Calculation of goodwill/ capital reserve as well as post acquisition changes has been made based on available information. Comprehensive information was not available.

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 ACCRUAL SYSTEM OF ACCOUNTING:

The Company follows the accrual system of accounting in respect of all items of expenditure and income.

1.2 FIXED ASSETS:

(i) Tangible Assets

Fixed Assets (other than land which were revalued) are stated at cost of acquisition inclusive of freight, duties, taxes and incidental expenses relating to the acquisition, installation, and erection and commissioning less depreciation. A portion of the land owned by the Company has been revalued. Internally manufactured assets are valued at works cost.

(ii) Intangible Assets

Intangible assets are accounted at cost of acquisition.

SCHEDULES TO THE BALANCE SHEET AND PROFIT AND LOSS ACCOUNT

SCHEDULE "O" (Contd...)

NOTES ATTACHED TO AND FORMING PART OF THE BALANCE SHEET AND PROFIT AND LOSS ACCOUNT

1.3 INVESTMENTS:

Investments unless otherwise stated are considered as long term in nature and are valued at acquisition cost less provision for diminution, if any.

1.4 INVENTORIES:

(Parent Company)

1. Raw materials, stores, spare parts and components are valued on first in first out basis/ weighted average at net landed cost or net realizable value whichever is lower. 2. Work in progress is valued at works cost or net realizable value whichever is lower. 3. Finished goods are valued at works cost or net realizable value whichever is lower. Material cost of work in progress and finished goods have been computed based on the moving average/ average price/ latest estimated purchase price.

Lloyd Dynamowerke GmbH & Co. KG (LDW)

Inventories of raw materials and finished goods are recorded at the lower of historical cost or replacement cost at balance sheet date. For slow moving inventories adequate write downs were applied. Valuation for finished goods and work in progress was carried out at the lower of cost of production or the lower attributable value. Cost of production includes all directly attributable cost. Overhead cost and cost of general administration are included according to commercial and fiscal acceptable values. Predictable losses are with the intention of a loss free valuation accounted for with revaluation adjustments or loss provisions.

1.5 DEPRECIATION:

Parent Company:

- a) Depreciation is charged on the written down value of assets at the rates specified in schedule XIV to the Companies Act, 1956 or Income Tax Act, 1961, whichever is higher on assets as on 31st March 1994.
- b) In respect of other additions after 1st April 1994, depreciation on straight-line basis at the rates specified in schedule XIV to the Companies Act 1956 has been charged, except otherwise stated.
- c) Depreciation on furniture and fixtures above Rs. 5,000/- provided at the residences of the employees has been charged at the rate of 33.33% on the straight-line method irrespective of the quarter of addition. Furniture and fixtures whose cost is Rs.5,000/- or below are fully depreciated in the year of addition.
- d) Depreciation on assets taken on finance lease is charged over the primary lease period.
- e) Depreciation on software is provided at 33.33% per annum.
- f) Depreciation on Technical Know-how fees and product development are written over a period of six years.
- g) Depreciation on assets (other than Furniture and Fixtures provided to employees and assets taken on finance lease) bought / sold during the year is charged at the applicable rates on a quarterly basis, depending upon the quarter of the financial year in which the assets are installed / sold. Assets whose individual value less than Rs.5,000/- is depreciated fully. However, in certain units where SAP ERP software has been implemented depreciation has been provided on monthly prorata basis.

LDW

- a) Intangible assets of fixed assets are recorded at historical cost less regular accumulated depreciation.
- b) Tangible assets are recorded at historical cost (acquisition cost or cost of production) less regular straight line accumulated depreciation. Real estate is depreciated over a period of 25 years. For movable property it is assumed useful lifetime between three and thirteen years. Additions to low value assets, starting with 2008, (those with acquisition cost between EUR 150 and EUR 1000) are recorded in the year of addition and are depreciated straight line over a period of five years.

1.6 IMPAIRMENT OF ASSETS:

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss, if any, is charged to profit and loss account, in the year in which an asset is identified as impaired.

1.7 RESEARCH AND DEVELOPMENT EXPENDITURE:

Revenue expenditure in carrying out research and development activity is charged to the Profit and Loss Account of the year in which it is incurred. Capital expenditure in respect of research and development activity is capitalized as fixed assets and depreciation provided as detailed above.

1.8 REVENUE RECOGNITION:

Sale of goods is recognized on shipment to customers and excludes recovery towards sales tax.

1.9 EMPLOYEE BENEFITS:

(i) Short Term Employee Benefits:

Employee benefits payable wholly within twelve months of rendering the service are classified as short term. Benefits such as salaries, bonus, leave travel allowance etc. are recognised in the period in which the employee renders the related service.

(ii) Post Employment Benefits:

a) Defined Contribution Plans: (Parent Company)

The Company has contributed to provident, pension & superannuation funds which are defined contribution plans. The contributions paid/payable under the scheme is recognised during the year in which employee renders the related service.

SCHEDULES TO THE BALANCE SHEET AND PROFIT AND LOSS ACCOUNT**SCHEDULE "O" (Contd...)****NOTES ATTACHED TO AND FORMING PART OF THE BALANCE SHEET AND PROFIT AND LOSS ACCOUNT (Contd...)****LDW**

The Company has contributed certain percentage of salary of the employee to social securities as per the law of the land, such amount paid/payable during the year is accounted under employer contribution to social security.

b) Defined Benefit Plans:

Employees' gratuity and leave encashment are defined benefit plans. The present value of the obligation under such plan is determined based on actuarial valuation using the Projected Unit Credit Method which considers each year of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gain and losses are recognized immediately in the statement of profit and loss account as income or expense. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the balance sheet date on Government bonds where the currency and terms of the Government bonds are consistent with the currency and estimated terms of the defined benefit obligation. Gratuity to employees is covered under Group Gratuity Life Assurance Scheme of the Life Insurance Corporation of India. There were no defined benefit plans at LDW.

1.10 FOREIGN CURRENCY TRANSLATION ON OVERSEAS BRANCH:

- Foreign currency transactions are translated into rupees at the exchange rate prevailing on the date of the transaction.
- Monetary foreign currency assets and liabilities outstanding as at the year-end are restated at the exchange rates prevailing as at the close of the financial year. All exchange differences are accounted for in the profit and loss account.
- Non monetary items denominated in foreign currency, are valued at the exchange rate prevailing on the date of transaction.
- In respect of branches, which are integral foreign operations are translated as if the transactions of those foreign operations were the transactions of the Company itself.

1.11 TAXES ON INCOME:

Provision for current tax for the year is after taking cognizance of excess / short provision in prior years. Deferred tax assets/liability is recognized, subject to consideration of prudence, on timing differences.

1.12 BORROWING COSTS:

Interest and other borrowing costs on specific borrowings relating to qualifying assets are capitalized up to the date such assets are ready for use / intended to use. Other interest and borrowing costs are charged to Profit & Loss Account.

1.13 PROVISIONS & CONTINGENT LIABILITIES:

A provision is recognized when the group has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Financial effect of contingent liabilities is disclosed based on information available upto the date on which financial statements are approved. However, where a reasonable estimate of financial effect cannot be made, suitable disclosures are made with regard to this fact and the existence and nature of the contingent liability.

1.14 USE OF ESTIMATES:

The preparation of financial statements in conformity with generally accepted accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.
